“Information Security and You”

by

Ms. Eileen Gormly

HIM Domain: 2 CEUs in Privacy and Security

Thursday, November 21, 2013

Presenter Biography:

Eileen Gormly is currently an Information Security Officer at VA Puget Sound in Seattle Washington. She has worked for the Department of Veteran Affairs for just under 20 years and spent four and a half years in the U.S. Coast Guard. As a U.S. Veteran who uses the VA Healthcare System, Miss Gormly has been on both sides of VISTA/CPRS and is very passionate about the utility and elegance of this medical system.

In her career at the VA, Miss Gormly has been a Medicine Residency Coordinator, a VISTA/CPRS Trainer, a Clinical Applications Coordinator, Help Desk Support, a basic M programmer for VISTA, one of the Assistant VISTA Managers, and then transitioned, thru a brief detour at the Museum of Modern Art in San Francisco, into Information Security at the Seattle VA.

In her not so copious spare time, Miss Gormly volunteers at the local library where she is a library guild member. She also sits on the Board of the Directors of the Distributed Proofreaders Foundation, where she is also a volunteer. Oh, and she reads a lot, plays D&D and Rock Band, and gardens a little.
