

February 19, 2015

Please Join us for the Presentation:

Identity Fraud and Data Breaches – Criminal and Civil Enforcement Efforts

Presented by:

Jim Robnett – IRS Criminal Investigation Division

This presentation will identify corporate risk factors for identity theft, discuss a typical identity theft criminal investigation, discuss data breach civil enforcement efforts, and describe best practices to minimize identity theft and data breach risks.

Bring Your Own Device (BYOD) – Pitfalls and Risks to Avoid

Presented by:

Mark Dill

With more care being delivered via smartphones and other mobile devices, coupled with the ability of patients and their families to access information with such devices, organizations must understand the pitfalls and risks to avoid while utilizing this type of technology.
