Please join us for the Summer Kickoff Bonus Meeting:

Physician Leadership Panel June 16, 2016 from 6:00 – 8:00 PM

What?

Q&A session between physician leaders and Health Information professionals in order to open lines of communication and bridge the current gap in collaboration between disciplines. This is a great and unique opportunity for our students and healthcare professionals.

At this time we have confirmed the CEO of Overlake Hospital & Medical Center, the CMO of MultiCare, Medical Director of Quality and Care Management and Occupational Medicine physician for Franciscan Medical Group (FMG), and we are working with a few other physician leaders who have voiced interest in participating.

Why? What's in it for you?

- Improved communication between HIM professionals and physicians
- Improved communication between HIM professionals and healthcare leadership
- Improved understanding of each other's challenges as our success is dependent upon improved collaboration between disciplines and the ability to remove barriers
- Identification of shared purpose which enables us to have stronger interdisciplinary relationships, bias toward action, and sustainability through collaboration
