**Challenging Classic Paradigms in Revenue Integrity –  
HCPRO On-Demand Presentation\*\*  
2018 TAHIMA Board Nominations**

Join expert speakers **Valerie A. Rinkle, MPA**, and **Elizabeth Lamkin, MHA, ACHE**, as they challenge the classic paradigms in revenue integrity. They will help participants understand contemporary approaches to ensuring revenue integrity, explain the use of patient portals and electronic health records, discuss strategies for charge master use and maintenance, and go over how to create an organization wide revenue integrity plan.

**At the conclusion of this program, participants will be able to:**

- Describe contemporary approaches to ensuring revenue integrity throughout front-end, middle, and back-end revenue cycle functions
- Explain how electronic health records and patient portals can be used to help ensure revenue integrity
- Identify strategies for charge master use and maintenance
- Describe how to create a SMART organization wide plan for revenue integrity
- Understand new functions and roles necessary for revenue integrity
