

Tacoma Area  
Health Information Management  
Association

Please join us for a presentation and activity on:

**Equity of Healthcare for the LGBTQ+ Population**  
**By**  
**Kim Lee**

Kim Lee will be speaking about the equity of healthcare for the LGBTQ+ population, with an emphasis on the impact it has on trans people. Kim has a passion for bringing awareness to issues specific between health information management and the equity of healthcare for trans people.

Kim has been in the health information management profession for 23 years. She currently teaches at Tacoma Community College in the Health Information Management Baccalaureate Program.
