**Privacy Programs**  
**By**  
**Cindy Kelly**

For the last 8 years Cindy Kelly has been an HIM Director and Privacy Officer. She has developed Privacy Programs in two organizations and mentored two professionals to assist with Privacy work. She will share what she see's as essential tools for an effective Privacy Program.

She is an RHIT with 35 years of experience as an HIM Manager in several health care settings including Acute Med/Surg, CAH, Behavioral Health, SNF, Consulting and Occupational Medicine. She does her best to engage with people in a calm, professional manner to bring about positive outcomes and lead successful transitions. She is a logical and creative thinker. She has served 5 years on the WSHIMA board including one year as President of the organization. She has written two articles and co-authored three AHIMA articles while volunteering to work on Practice Councils. She enjoys her career and has a lot of fun giving back.
