The Role of HIT in Chronic Pain Management

By

Medea Karr

Medea Karr RN BSN ARNP is a family nurse practitioner with a Master of Science degree in nursing and national certification in family practice. Medea is particularly committed to working with patients with Ehlers Danlos Syndrome, fibromyalgia, chronic myofascial pain, and other chronic pain conditions. She owns the Willow Fibromyalgia and Hypermobility Clinic in West Seattle, where she works with patients and their primary care providers to help patients achieve optimal comfort and productivity in their day to day lives. She is on the board of directors of the Washington Academy of Pain Management and is a member of the International Consortium on Ehlers Danlos Syndromes and Related Disorders.
