Bertram Lansiquot presenting “Get Connected for Renown Career Opportunities”

Renowned for his successful track record of acquiring Healthcare and Information Technology industry-leading talent, Bertram Lansiquot was the highest performing recruiter at the largest Health Information Management staffing vendor in the United States.

During the competitive ICD-10 medical coding implementation, Bertram and the recruiters under his leadership were able to fully staff every medical coding opening and grew headcount over 500% within 8 months. Seeking to assist more employers find great talent, he founded Renown Talent and started the #AskARecruiter video series. It is a video series geared toward providing guidance to new and tenured professionals to get hired, promoted, stand out from their peers, and be more knowledgeable about the HIM job market.
